IT'S EASY TO GET STARTED WITH

With just a few clicks on their smartphones, parents and guardians can now easily manage all school purchases in the palm of their hand.

The iPayimpact app offers busy parents a convenient way to pay for all school items (Both CBS and Loreto in one interface), including meals, trips, clubs, and more, anytime and anywhere.

In addition to on-the-go payments, the iPayimpact app allows parents to view all their children's CBS and Loreto online payment accounts in one place, top up their accounts with Apple Pay, Google Pay, or card.

The app is now available to download from the Apple and Google Stores. Parents with an iPayimpact account can simply download the app and log in using their existing user details.
